ACKNOWLEDGEMENTS

I here by take this opportunity to thank all those who have been a source of inspiration, help and encouragement during my project work.

It would be impossible to express in words my gratefulness to my advisors, **Dr.D.Roy Choudury** and **Mrs.Rajani Jindal**. Working with them has been a true privilege. Their constant encouragement and valuable suggestions have guided me throughout this project. Their enthusiasm and devotion have always inspired me during my hard times. I am again indebted to **Dr. D .Roy. Choudhury** for taking keen interest, useful discussion, resourceful co-operation during my project work.

I would like to convey my sincere thanks to the computer center staff that have always been a helping hand in the case of any need. Also, I'd like to express thanks to all my friends who with their kind gestures have always encouraged me during the rough phases.

(DEEPAK MITTAL)

DECLARATION BY THE CANDIDATE

I, hereby declare that the dissertation work entitled “**Implementation and analysis of association rule algorithms in data mining**” is an authentic work carried out by me under the guidance of **Dr.D.Roy Choudhury** for the partial fulfillment and award of the degree of M.E. in computer Technology and Application. I have not submitted this work anywhere else for the award of any other degree.
