

# Latin American, European studies at Jamia

## TRIBUNE NEWS SERVICE

**NEW DELHI, MAY 18**

Jamia Millia Islamia has introduced a slew of new postgraduate-level programmes.

The Centre for European and Latin American Studies at the university has introduced MPhil programmes in two streams-- European studies and Latin American studies.

Other new programmes being introduced at Jamia this year include MTech in earthquake engineering, MArch in urban regeneration and MA in early childhood development.
