

B Com graduates eligible for CTET

NEW DELHI: The CBSE has issued a new circular stating that B Com graduates are also eligible for the Central Teacher Eligibility Test (CTET), scheduled for June 26. It came out with the circular after applicants pointed out that the advertisements and notices put up for the test mentioned the minimum qualifications as BA/BSc, those appearing for the finals of two-year diploma in Elementary Education or one-year BEd course, but not B Com graduates.
