

MTech admissions at DTU end with high cut-offs

TRIBUNE NEWS SERVICE

NEW DELHI, JULY 7

The admissions to M.Tech. at Delhi Technological University have concluded with a combined consideration of 80% GATE score and 20% interview by the selection boards of various departments.

DTU has selected its M.Tech. candidates with high cut-offs this year. The list of the selected candidates has already been declared on the university website www.dce.edu. The selected candidates are required to collect their admission letter from the head of the department and deposit their fees from July 7 to 18. Those selected candidates who fail to take admission by July 18, will forfeit their right of admission and the vacant seats will be offered to the

waitlisted candidates. The list of the waitlisted candidates has also been displayed with that of the selected candidates.

The cut-offs for M.Tech. courses for various departments have been much higher compared to last year. For Microwave and Optical Communication, the highest and lowest GATE cut-offs have been 99.77 and 98.07. Likewise for VLSI Design and Embedded Systems, the highest and lowest GATE cut-offs have been 99.41 and 98.14; for Signal Processing and Digital Design, the highest and lowest GATE cut-offs have been 99.56 and 98.54.

This year, DTU had received 2,840 applications for its 17 M. Tech. programs with a total intake of 359 seats. The number of applicants was about 40% higher than the last year.
