

ACKNOWLEDGEMENT

I would like to articulate my profound gratitude and indebtedness to my thesis guide **Dr. Bharat Bhushan**, under his supreme guidance and constant motivation towards research work which laid to me carried out this work. It has been a great pleasure for me to get a opportunity to work under him and complete the project successfully.

I wish to extend my sincere thanks to **Prof. Madhusudan Singh**, Head of Electrical Engineering Department, Delhi Technological University for approving my project work with great interest.

An undertaking of this nature could never have been attempted with our reference to and inspiration from the works of others whose details are mentioned in references section. I acknowledge my indebtedness to all of them. Last but not the least, my sincere thanks to **Delhi Technological University** where I got the golden opportunity for exploring my ideas and immense pleasure to full fill them, extending my cordially thanks to all of my friends who have patiently extended all sorts of help for accomplishing this undertaking.
