

Design and Performance Evaluation of Functionalized Polymer Packed Continuous Reactor for Treating Industrial Dye, Methylene Blue

Thesis submitted in partial fulfillment of the requirements for the degree of

**Master of Technology
in
Environmental Engineering**

by

Arpita Anand
Roll No: (2K12/ENE/05)

Guide
Professor S.K. Singh

Co-Guide
Dr. P. Albino Kumar

**DEPARTMENT OF ENVIRONMENTAL ENGINEERING
DELHI TECHNOLOGICAL UNIVERSITY
(FORMERLY DELHI COLLEGE OF ENGINEERING)
DELHI – 110042
June, 2014**
