ACKNOWLEDGEMENT

I take this opportunity to express my profound gratitude and deep regards to my guide Prof. B.D. Malhtora for his exemplary guidance monitoring and constant encouragement throughout the courses of this thesis. The blessing, help and guidance given by him time to time carry me a long way in the journey of life on which I am about to embark.

I also take this opportunity to express a deep sense of gratitude to D. Punit Kaur, Professor at AIIMS, Delhi for hid guidance, cordial support and valuable information which helped me in completing my task through various stages.

I would like to acknowledge Dr. Divya Dube and Phd Scholar Umya Kulsum for their incredible support during the project work.

I am also thankful to my AIIMS fellow mates for stimulating discussion an help.

Ajanma Singh
