ACKNOWLEDGEMENT

The work on this project has been an inspiring, often exciting, sometimes challenging, but always an motivating experience.

At the very outset, I wish to thank Dr. Rajneesh Mahajan for giving me the opportunity to participate in this interesting research project, that helped me gain insights into the Internet World.

He has supported me with his guidance, insights, encouragement and many a fruitful discussion on Internet Marketing. I am grateful to him to have spared his time and showing the patience to our answer our queries. The kindness shown by him, despite him being so busy with his work, is highly appreciated.

I would also like to thank all my respected teachers and all my fellow colleagues who supported me always. This ensured the speedy completion of this project.

This acknowledgment would be incomplete without expressing my sincere appreciation to all my friends who spent their precious time in filling up the questionnaires which formed the base of this research.
