

FIRST EDITION

ADIECTA NOVA

A BULLETIN OF NEW ADDITIONS AND
RELATED INFORMATION IN DTU

DELHI TECHNOLOGICAL UNIVERSITY

This issue highlights several key updates:

1. New Additions to the Library Collection:

A curated selection of books across diverse disciplines has been added to our shelves this year. To facilitate seamless access, the complete list of newly added books is available through our Online Public Access Catalogue (OPAC).

2. Publications by DTU Faculty:

The scholarly contributions of our esteemed faculty continue to be a source of inspiration. This issue features an exclusive section on books authored and published by our faculty members, showcasing their expertise and dedication to advancing knowledge in their respective fields.

3. Research Analysis:

DTU's research endeavors reflect its commitment to innovation and global impact. This issue includes a detailed analysis of the research output of our faculty, presented graphically for a clearer understanding of key trends, focus areas, and emerging fields. The graphical representation offers insights into the progress of research activities, highlighting collaborative efforts and interdisciplinary initiatives.

We extend our gratitude to the DTU community for their unwavering support in nurturing a culture of learning and research. We invite you to utilize these resources and contribute to the ever-growing knowledge ecosystem of DTU.

Let this annual issue be a gateway to exploration, inspiration, and academic excellence.

Warm regards,
Librarian

DTU CENTRAL LIBRARY | NEW ACQUISITIONS 2024

EXPLORING NEW HORIZONS IN KNOWLEDGE

The DTU Central Library is proud to present its curated collection of new acquisitions for 2024, showcasing the latest additions to our library's rich and ever-growing collection. These acquisitions, made through careful selection, span a wide range of disciplines, from cutting-edge research materials to essential academic texts.

In 2024, our focus has been on ensuring access to the most relevant and up-to-date resources across fields such as Science, Engineering, Technology, and much more. These new materials are designed to support the academic growth, research aspirations, and learning needs of our students, faculty, and researchers.

Every addition to our collection reflects our commitment to academic excellence and our ongoing mission to provide a comprehensive and dynamic learning environment. At DTU Central Library, we are dedicated to empowering the university community by connecting them to the tools and knowledge necessary to explore, innovate, and succeed in their fields.

Join us as we continue to evolve and contribute to the academic and research excellence that defines DTU. Together, we are advancing the frontiers of knowledge.
