POSTSCRIPT

Review of Urban Affairs

A set of six papers challenges the conventional wisdom that informality is a problem to be eradicated, insisting that it must be engaged with as a vital component of urbanisation. The papers call for policies that acknowledge the role of informality in sustaining cities while ensuring greater security and rights for those within it. [pages 39–92](#)

Crises in Inclusive Finance

The trouble in the inclusive finance space could come from the cracks in the lending model, policy-induced trouble, politics and electoral cycle-induced trouble, and organisation design-based trouble. [page 10](#)

Musk and the Far Right

Musk, with his links to White privilege in apartheid South Africa, has waded into the British debate as part of his White supremacist agenda, more indirectly invoking England as the fount of the "Western civilisation." [page 22](#)

Local Government Finances

The approaches adopted by union finance commissions for the devolution of funds, primarily centred on population and area, have fallen short in materialising fiscal decentralisation and enhancing the service delivery framework. [page 30](#)
