NEW VALUE ADDED SERVICE:

1. **SciFinder:** SciFinder online database subscribed. SciFinder, produced by Chemical Abstracts Service (CAS), is the most comprehensive database for the chemical literature, searchable by topic, author, substances by name or CAS Registry Number, OR use the editor to draw chemical structures, substructures, or reactions. It's a core research tool for chemistry, biochemistry, chemical engineering, materials science, nanotechnology, physics, environmental science and other science and engineering disciplines.

2. **E-Books of CBS:** E-Books of CBS for the following department have been added 1. Biotechnology, 2. Civil, 3. Electrical and 4. ECE.

3. **E-Books of University Press/ Orient Black Swan** E-Books of University Press/ Orient Black Swan for the following department have been added, 1. Civil, 2. ECE and 3. Environment.

4. **Harvard Business Publishing:** Library has started to serve our students with Harvard Business Publishing cases.

5. **Web of Science**: The e-Shodh Sindhu has started access to Web of Science to DTU. Web of Science is an online subscription-based scientific citation indexing service originally produced by the Institute for Scientific Information, now maintained by Clarivate Analytics that provides a comprehensive citation search.

6. **Grammarly Check:** Grammarly is a cloud-based English-language writing-enhancement platform.

7. **RemoteXs**: - To provide remote access to electronic resources the Library has started the subscription to RemoteXs. It is a one stop solution to provide users a single window access to their digital resources.

8. **DELNET:** DELNET has been established promotes resource sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerized services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible.

9. **Economic & Political Weekly:** The Economic and Political Weekly is a weekly peer-reviewed academic journal covering all social sciences and is published by the Sameeksha Trust.

10. **Rare Book Collection**
    The library has lots of rare books for which a separate collection has been

11. **DTU Publication Archive**
    The library has also created an archive for publications published by faculty and research scholars of DTU

12. **Federated search – J-Gate**
    To facilitate the library users, the library has access to J-GATE, a federated search engine. It serves a single gateway for e-journal.

13. **Manuscript**
    Digital Manuscript from Indira Gandhi National Centre for the Arts and Oriental Institute: The Maharaja Sayajirao University of Baroda have been purchased by the library.

14. **Engineering Village**
    Engineering Village has the search, analytics, and navigation tools that engineers need to efficiently generate research, assess the impact and relevancy of critical information, and discover new insights for addressing the world's toughest engineering challenges.

15. **VRD**
    The Central Library has good reference collection and provides reference service to the members. Library will answer brief reference questions for patrons via email. This service is intended for brief questions and requests for more complex reference questions cannot be replied.

16. **Digital Library of India**
    Ministry of Human Resource Development (MHRD) under its National Mission on Education through Information and Communication Technology (NMEICT) has initiated the National Digital Library of India (NDL India) pilot project to develop a framework of virtual repository of learning resources with a single-window search facility. Filtered and federated searching is employed to facilitate focused searching so that learners can find out the right resource with least effort and in minimum time.

17. **IRINS**
    IRINS is web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre in collaboration with the Central University of Punjab. The portal facilitates the academic, R&D organisations and faculty members, scientists to collect, curate and showcase the scholarly communication activities and provide an opportunity to create the scholarly network.
